Bible Camp For Kids - "Travel Guide To The Beatitudes"
August 16 - 23, 2014 Walker Minnesota

Summer Bible Camp brings back tons of memories from when I was a kid. Swimming, pranks on counselors, passable food, mosquito bites, hot dogs, roasting marshmallows, crafts and learning about God. This year at Bible Camp For Kids, we are learning about the Beatitudes.

Jesus left no doubt that being a Christian can be hard; but because of God's promises, each of us can experience his blessings. We will learn about how to live the life God wants for us even when things get tough. And we will learn firsthand about all the wonderful ways God shows his love in our lives, no matter the circumstances.

No one will be turned away because of issues of money. The Camper's job is to learn and soak up the experience of Bible Camp. Among my many jobs is to find the money for scholarships.

If you need help or have questions - see Roxi Mork.

Wednesday Hot Dog Night Cookouts begin June 4th - August 20th
6:00–7:30 pm

It is a time to visit across the “backyard fence” like neighbors do in many communities. It’s a time to meet our neighbors after a long never ending winter of 2014 being huddled in our homes. Hot Dogs, chips, dessert and beverage will be served. A basketball hoop, sidewalk chalk, music and conversation will round out the evening.

As in years past pallets of fruit and vegetables for friends and neighbors will be delivered to our parking lot by Second

Harvest. The pallet will be delivered on Wednesdays in time for the Wednesday Night Cook Outs. This year we will also receive a pallet of bread each and every Wednesday.

Help will be needed to coordinate the produce by separating and setting it out. Other ways to help will include serving the food, helping with cooking the hot dogs, and of course with setting up and cleaning up. ??? See Pastor Jeff or Roxi Mork

Block Party

August 27. 2014

August is literally just around the corner. Lots of fun, lots of people, lots of good food, and lots of opportunities to help. Please look at the poster in the Narthex to sign up to help. Everyone is needed and there is something for everyone to do.

You can set up chairs, serve, greet . . . any number of things to do. But, it takes you to sign up and help. August 27th is not that far away. You can sign up to set up, clean up, serve, grill, be a floater, garbage duty . . . there is something for everyone.

Sign Ups available in July. Start thinking about where you want to help.

Do you have and don't use anymore???????

Wash rags, bath towels or beach towels that you don't want or use anymore

Life Preservers for kids/adults

Kids size sweatshirts

Hand held games - like baseball, football, Pac Man, etc. - battery operated

Sleeping Bags and Stuff Bags

Looking for Food Shelf Volunteers

Do you know how many people it takes to run a Food Shelf? LOTS!!! I know we need more . . . we need you!!!!!! There are so many things that you can do to help. Can't stand for long period of time . . . it's ok we have chairs. Do you like to color? Yes, then you can "color" out bar codes. Can you see? Great then you can look at the dates and see if they are ok to use. If you can lift - that is wonderful we have lots of things that need to be moved. Do you like to organize? Yes, great then you would be perfect for stocking.

Don't have all day . . . that's OK we usually work around 4-6 hours. Only have evenings . . . great that's one of the times we work. Can only work during the day . . . wonderful, that's when we work too.

Can only be there Tuesdays and Thursdays . . .good that is two of the days we need you.

You might ask "what do I have to do or know"? Well, you need to know that you are needed. You would work with other great people or sometimes by yourself on a certain job. You will always be shown and explained whatever needs to be done. . . Helps if you want fellowship with others working to do what God tells us to do feed those who are hungry and love everyone.

There are even benefits: Get to work with great people. Get breaks and we sometimes feed you lunch. Cool in the summer and warm in the winter. Sometimes get fresh air while working outside. Always changing . . . work is never the same. Always something to do

If this sounds like something you would want to do . . . please see Jean Bailey or Roxi Mork.

Looking For Sunday School Teachers

Qualifications: Love kids, be patient and kind, show up when it is your turn to teach or find a replacement. Want to help kids learn about Jesus while you are also learning. Be flexible. Be able to "go with the flow" and change what you were planning if kids need something different that Sunday.

Long time members come to mind and new members who would be great teachers . . . so just come and talk to me. I will show you the curriculum. Questions? Want to teach? See Roxi Mork So, please pray about it and then give me a call.

We are always looking for volunteers here at the Richard M Schulze American Cancer Society Hope Lodge at 2500 University Ave SE in Minneapolis. Wondering if you could post a flyer, announce in a bulletin, or let people know about us who may be looking for a place to volunteer.

We are especially looking for people to volunteer at the front desk, greeting guests and answering the phone (training is provided). We have other opportunities as well and people can do it individually or as a small group.

Please let me know if I can provide flyers, bulletin insert, or friendly smile to share information about us. Our website is
